Field Trips are offered on Wednesdays or Fridays.

FUN WITH A PURPOSE It's been proven that children who engage in summer camp experiences are appropriately challenged during the summer months and exposed to learning opportunities that keep their minds sharp while having fun. Y Camp is one of the best ways to combat summer learning loss to help keep children on track in school and beyond.

CAMP THEME WEEK DESCRIPTIONS

Cooking Cultures

Expand your mind and taste buds by cooking different foods from all around the world. From building your own chef's hat, to creating delicious and nutritious snacks. At Cooking camp, each day is a different theme - from Italian food to Mexican food...we're sure to have a tasty fun time.

Nature Gone Wild

It's time to get our Zen on! Nature week is dedicated to exploring and learning about the beautiful earth that we inhabit. This week is full of hiking, yoga, crafts in up-cycling, and learning about other animals we share our planet with.

The Ocean Depths

Dive into a world of hidden treasures, sea creatures and a wave of fun! Let's learn about the challenger deep and what we can create with the sand of the ocean.

Island Fun

Bring your hula hoops and apples causes we're having a luau! We'll be visiting a fun island invented by campers themselves. Explore the rich culture and values important to the people living at the Y Island. Aloha!

Holidays in July

We'll spend a week reliving and Celebrating the most memorable times of the year!

Color Crazy

Color me crazy!!! This week we will learn to appreciate all the colors of the world. Join us as we try to create our own colors and try to make our own crayons, as we go on a mission to make this world a more colorful place.

Heart of a Champion

In life the Victor is not always a champion. It takes more than winning to be a champion. We will battle through adversity together and triumph through values of caring, honesty, respect and responsibility. This week we will not come out with an accolade but, with a heart of a CHAMPION! ... (Rawr!!!)

To Infinity and Beyond!

To infinity and beyond as we search for Moon rocks, create space crafts and explore the planets.

California Adventures

The golden week! Join us as we set sail through the California Coast and hike through our state parks. Help us mine for gold and fish for golden trout.

Time Traveler

Let's go back in time. From sock hops and bell bottoms to Y2K and selfies!

Inventor's Workshop

Put your inventions to the ultimate test! Take designs that you and others create - inspired by the minds and methods of the greatest inventors - and put them to the ultimate test.
